Ms. Falco discussed the Clean Communities Program and Environmental Educational Outreach. Ms. Falco explained more information is available on their website at www.bergenhealth.org and will also soon be available on their Facebook page.

Ms. Breslow spoke about having the Board of Health host a quarterly outreach program on different health related topics. Ms. Breslow said that she spoke to Ms. Christina Lee, the Lead Supervisor for Bergen County, about having her involved in a program educating the public on dangers of lead. Councilwoman Epstein spoke about how we can publicize the program to the town and if it should be offered at an outside location or on Zoom. Ms. Scheulen commented that this may be a good program to offer via Zoom. Ms. Breslow commented that she would like to see how residents can bring an item from home to have it tested for lead.

Dr. Miller was excused from the meeting.

Dr. Valas spoke about the proposed Legislative bills S-1416 and A-149, that limits LBOH, and permits the governing body to serve as the LBOH in towns having a population of 30,000 or less. Dr. Valas said that the NJLBH meetings are now offered once a month on Zoom and these proposed bills will be discussed at the next meeting.

A short discussion was had pertaining to local Health Commissions.
