Mayor Misciagna: I would like to say a few words first this is a great occasion for a couple of reasons, first we know Julia very well and she's a great citizen, you were a great student and it's wonderful to have you as part of our Police Department. You're going to be a shining example. I mean no matter what gender you are, you're more than qualified and you're going to be an excellent police officer. What I think is even more wonderful, is you're going to represent women on our Police Department for the first time in the history of Park Ridge. We all know the Manning's family, they've been a great part of our community for many years and this is just great because this is what small town police departments should be doing is hiring from within. One of the things that the Chief and the department does better than anybody is a community policing and you're going to be a natural at that because you could talk to the children in the schools and make sure that they're not afraid of the police even though most of them look like these guys over here. I just think this is wonderful and I am just tickled that it's you that I get to swear in.

Mayor Misciagna invites JULIA MANNING to the podium to be sworn in.

Chief Madden: Good evening, I want to first thank Mayor Misciagna, Police Commissioner Ferguson and the entire council for their continuing support and making tonight's swearing in possible. As Police Chief I take a great deal of pride in recruiting and hiring quality candidates to join our outstanding department. Tonight, we celebrate another successful hiring process with Julia's swearing in. A little background on Julia, our department was first introduced to her when she was a student in our DARE program. During the DARE program students are required to complete an essay on what knowledge they gained from the program. The DARE officers then select the best essays. Julia's was one of them. Her essay was so good that she eventually represented Park Ridge on a State, National and International level with the DARE program. She also received a scholarship for being an outstanding ambassador for the program. We were very impressed by her dedication and commitment at a very young age. I am happy to say that Julia's success in the DARE program was just the beginning of a very impressive High School and College career. Some of our officers stayed in touch with her during this time and we eventually learned she was interested in becoming a police officer. As everyone knows there is a very thorough hiring process to join our profession which includes an interview, physical fitness test, psychological, complete medical test and finally an intense background investigation.

We pride ourselves only quality people who we feel will be productive members of our department for a long time. Julia passed all the tests with flying colors and I believe she is going to be a great addition to our department. She joins an outstanding group of officers, most of them homegrown, that are dedicated to protect and serve this great community. Let me be one of the first to congratulate you on the first step in a long career. Without further ado It's time for Julia to be sworn in. Come on up Julia.

APPROVAL OF MINUTES

Mayor Misciagna asks for a motion to approve the Minutes as follows:

Public Hearing Minutes – June 27, 2023

A motion was made by Council President Fenwick and seconded by Councilmember Hoffman to confirm.

AYES: Councilmember Hoffman, Councilmember Ferguson, Councilmember Capilli, Councilmember Cozzi and Council President Fenwick

ABSENT: Councilmember Goldsmith

REPORTS OF THE GOVERNING BODY

Councilmember Hoffman: First I just wanted to say congratulations to officer Scott Malloy who just recently retired after 25 years with the Parkridge Police Department. I had the privilege to attend his walkout um recently and it was a really cool service where everybody turned their radios up and you could hear his sign off all over the tri-town area. With regards to the rec committee, we just kicked off our summer camp last Thursday. A big thanks again to the Parkridge police department and all our crossing guards for helping making sure the drop off of all the campers and pickup went exceptionally smooth. The summer camp this year is really packed schedule so far, we've already had Carnival day, we had some Inflatables that the kids could play on including a water slide last week. There's already been a trip to the pool to come we have trips to the Westwood movie theater the Montvale bowling alley there's a magic show planned and a DJ and pizza party to close out the Camp. we just had movie night at the Park Ridge Pool, I unfortunately couldn't make it because of a prior engagement but I heard that it was a pretty big success and everybody had fun. I just want to make a note that the rec committee is in full swing with our summer concert series, last Thursday we had our first band come and perform, No Discipline, it was very well attended everybody had a great time. Concerts are every Thursday through I believe it's August 3rd at The Pavilion at Memorial Field at 6 30 every Thursday.

Councilmember Ferguson: I would like to congratulate and wish good luck to Julia Manning who we had the privilege of swearing in tonight as our first female police officer in the Park Ridge Police Department's history. I know you're going to kill it out there. You're going to go through the academy going to come back here and you're going to make us proud, so good luck Julia. I'd like to wish Scott Malloy a very good retirement, good luck and congratulations. I know we'll see you around town not going anywhere. Don't forget to get out enjoy the pool. PKRG TV has been very busy lately filming local events and producing new episodes of its TV series. Most recently they released this special 150th edition of sports history which featured Howard Frederick's discussing the life and career of his cousin World Junior welterweight champ and movie star Jack KidBurg. PKR GTV is also has also filmed and aired the Park Ridge car show Town picnic, an interview program with members of the diversity committee as well as

soon to air concert with no discipline. They also did two episodes of what's cooking Park Ridge an episode of well-being and a lecture on Wampum making with Eric Johnson.

Councilmember Cozzi: We did not have any meetings with the library, although I would say and let people know that there are movie days going on Wednesdays. We've been surprised by the fact that when people are absent other new young couples have been stepping in to assist in the story reading or in any type of assistance, and volunteer which is nice because you're getting to see the next generation step in and do what they can to help. I would also like to thank officer Malloy for his service and I hope he has a great retirement. I'd also like to welcome Julia Manning as John has said, she is the first female officer on the Park Ridge police force and I think it's great that this is happening and I salute her. Finally as I'd like to as I've said before and I've tried to take this up since Councilman Metzdorf use to report on it, the TriBoro food pantry is being taxed hard and people are in need of food. I would ask the public out there to help and continue to donate food or other nonperishable items, a list of items in need is online. People are still hurting and they still need basics. I happen to be there on Thursday as you are giving, you see a line of people lining up for food, please those who can donate give.

Councilmember Capilli: I guess I'm fourth in the line, but I like to congratulate Scott Malloy on his retirement and welcome Julia Manning to the Parkridge Police Department besides you know sharing our Park Ridge Roots our family goes back to Ridgefield, so it's always nice to see one of our own take our place on the department I wish are nothing but the best.

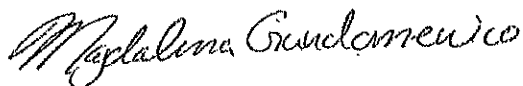

Council President Fenwick: I spoke with Councilman Goldsmith and he extends his regrets that he couldn't be here unfortunately he is ill and he did not want to get us sick. There was no meeting of the finance committee since we last met, but we did just receive during the work session an update from our CFO we're at 40 percent of the annual budget which is pretty good considering that the Year is already more than half over. I would also like to congratulate Officer Manning on her appointment as Park Ridge's first female police officer I'm proud that this Council was the one that moved forward with hiring Park Ridge's first ever female police officer. I thank the chief and our fellow councilman for making it happen, I wish her the best of luck in the academy and I know she'll do great things for Park Ridge moving forward. I also wanted to congratulate Park Ridge's own Nick Meidanis who was just promoted to an anchor at news 12. He's one of Park Ridge's own and we are appreciative of all the things that Meidanis the Meidanis family has done for Park Ridge over the years. I also wanted to let our residents know they may have seen an article in the newspaper regarding rats in a certain part of town, we are looking into that issue we spoke with some private residents there who have informed us that the issue is being abated. I wanted to reiterate to everyone that the issue is being abated and as always you know if you see something in town that you think is unsafe say something. Finally, as I'm sure some of our residents may have seen, Governor Murphy signed the state budget over the past week. The Good News Mayor is that he did not veto line item veto our request for Dredging Mill Pond, I want to thank Senator Holly Schepisi and Assemblyman Robert Auth for their hard work in getting the 1.5 million dollar grant towards dredging included in the state budget and passed the council is still conferring regarding a potential referendum on dredging the pond.

Mayor Misciagna: Today was a nice meeting. We got to swear in Julia Manning and I look back and think about my time in town here and it makes you reflect. When I first moved to town 30 years ago I don't even think Scott was on the on the department, yet so I know Scott as he became a new recruit on the police department, so I've known him a long time. I can't think of a finer individual than Scott Malloy he was just a wonderful police officer the kind of guy that epitomizes community policing which I think is the most important part of police work. When you've come from a town like ours, to make the kids feel comfortable to walk up to a policeman and tell them if something's going on, it's not as easy as you think it is. It takes it takes a certain kind of cop and to do that. We have several, but I don't think there's any of them are any better than Scott Malloy. He was there when my kids grew up in the school system, I have three kids they all went to the schools, they all knew officer Malloy they loved him. I want to thank him for his service to our community for 25 years. I know him being redundant here with that with everybody else said but my personal experience with him is something I don't remember and it also makes me feel a little bit old, because he's gone through his entire career and I'm not quite there yet. I knew Julia Manning when she was a very little girl and she has been just a great young lady a great individual. I think I've handed her more awards than almost any other kid in the in the borough. She's just she's been great besides being a great athlete, she's a role model and has been a role model for students for many years. I know she will make an excellent officer and I'm very proud to be sitting in this seat when we hired our first female officer. But, I do want to say when I spoke to her it doesn't matter what her gender is, she's going to be a great cop she's going to be a great police officer. It just so happens she happens to be female and I think we're long overdue to have a female representation on our police department. I want to wish Julia all the best and say a little prayer that you remain safe in this job. It's a dangerous job even in a nice little town like ours, so keep her in your thoughts and keep the whole department in your thoughts.

A motion was made by Council President Fenwick and seconded by Councilmember Ferguson to adjourn the Regular Mayor and Council Meeting. All in favor. **Meeting adjourned at 8:47P.M.**
