REPORTS OF THE GOVERNING BODY

Councilmember Hoffman: There was no meeting of the planning board this past month. Our recreation committee had their annual holiday tree lighting. I was unable to attend it was we had it on the rain date it was originally rained out, but I was also celebrating my mother's 65th birthday that day, so I still had a pretty good day. Beyond that just this being the last meeting of the year, I want to thank everyone on the council and you mayor and all our borough professionals, employees and volunteers. This was really just a fabulous year for Park Ridge, so thank you all.

Councilmember Ferguson: I'll I'll second what Greg just said about thanking everybody. One additional thing, I'm extremely proud of julia Manning will be graduating the police academy on Friday, so it's a big day for us here in Park Ridge and a big day for the Manning family. December 1st was the Fire Departments officer election, I would like to congratulate the Officers: Chief, Mark Durst; Deputy Chief, Rich Bosi, Captain, Peter Mauro, Captain, Kyle Ladewig, Lieutenant, Brad Moser and Lieutenant, Tom Tracy. PKRG-TV, Park Ridge, is pleased to announce its 15th Annual Holiday Lights Contest and TV program. Park Ridge

residents can enter online by 9pm on December 15th by visiting www.pkrgtv.com Contest winners will be announced in a program, featuring holiday music videos of contestant displays, airing on PKRG-TV on 12/24 at 8pm. The PBA Toy Drive that is now taking place up until December 14th The Park Ridge Police is asking that if anyone is able to donate a new unwrapped toy for a child of any age, it would be greatly appreciated to help those in need. They have a collection bin at their HQ Lobby, and also bins located by the lobbies of PRHS, West Ridge, and East Brook.

Councilmember Cozzi: This is essentially the last week for leaf collection so you better make sure you have it out because they aren't picking up after this week. I also like to echo what reg had said, I think the town has done a great job and I salute them. I wish everybody a Happy New Year and a Merry Christmas.

Councilmember Capilli: I just want to wish everybody happy holidays, it has been a pleasure to work with this Council. I think we work really well together, and I've enjoyed the time we spent this year. One more plug, if you are looking to join the Green Team, the green team is looking for volunteers you can email our administrator and let her know you are interested.

Councilmember Goldsmith: The Board of Health did not really meet this month, but there were two names submitted for the vacancies and they are going through a final review. One is Sean Trumble from Park Ridge and is involved in the Ironhorse restaurant in Westwood, so I did support his nomination. The pool commission got together for Holiday dinner, and we did discuss how the pool ran this past year. I concur with Greg and thank the town and all the council members, I think we worked great together this year and did a lot of positive things. I really hope we continue that with the new council in the new year.

Council President Fenwick: I want to echo Mr. Hall's statement about North 5th St. property, the town may not know, but you know we've been negotiating all year regarding this property. I've probably gotten more phone calls about this than many other issues and I'm very thankful that the council agreed to move forward with this project. I know it's been pending for some time and this is the second open space acquisition we've done this year. We also acquired another piece of property off of Forest Street that the town had looked at purchasing decades ago so I'm happy to see that Park Ridge will remain a community filled with open space. I did attend the Christmas tree lighting and it was a wonderful thing to see there were tons of our residents there, more than I've seen in years. I would like to wish everyone a Happy Holidays, Merry Christmas, Happy Hanukkah and Happy New Year. I myself am very proud of all the hard work that this Council accomplished this year. I'm thankful for the opportunity I've had to serve in the Borough and the people of Park Ridge. I will reserve my lengthy remarks so the Sine Die meeting.

Mayor Misciagna: I would like to thank Liz Falkenstern our Recreation Director and the Recreation Committee for doing another great job with the tree lighting, I know if had to be rescheduled because of the weather. We had a lot of people and kids and the best hot chocolate,

it was wonderful to spend the time with everyone as a community. I would like to thank them for having the tradition going, it's a lot of fun. One of our newer traditions is that we had the menorah lighting. A very heartwarming program, the Rabbi came and talked about the symbolism of a menorah. It's the symbolism of light in a dark world and I think that rings very true this year with everything that is going on in the world. I enjoyed that very much. Or downtown is starting to fill up the stores at the James. I had the pleasure of attending the grand opening of the Spine & Health Center in Park Ridge and SkinSpirit, both located on 146 Kinderkamack Road in the James Building and we have Beer Works coming in there. In light of the election results, I will be replacing Council President Fenwick with Councilman Ferguson on the Shared Services committee so it will be John Ferguson and Matt Capilli on shared services and court liaison.
